

FREE UP YOUR NURSES TO FOCUS ON THEIR PATIENTS

HP Print Solutions for Healthcare—Nursing

The nurses' station is command central for patient care, typically a small space where nurses must track patient information, doctors' orders, prescriptions and discharge instructions. It's an environment that demands efficiency, accuracy and ease of use. With HP Printing Solutions for Healthcare, you can streamline the administration of your nursing stations, spending more time with patients and less time on paperwork. It's difficult to outperform HP in understanding, engineering and supporting hospitals and medical practices around the world.

What if you could...

Reduce printing and imaging costs without impacting productivity?

Improve nursing station workflow by simplifying the printing of multiple forms?

Increase patient safety by using your existing printers to produce reliable and easily readable patient identification?

Address space constraints with multifunction printers featuring robust features and small footprints?

There's never been a better time for your hospital or clinic to take advantage of HP Printing Solutions for Healthcare.

SOLUTIONS AT A GLANCE

HP Printing Solutions for Healthcare offer everything you need to streamline processes, increase patient safety and efficiently manage the medical document lifecycle:

Capella FormPort Solution

Get paperwork under control with an automated form-printing solution for dynamic creation, modification and printing of forms at nursing stations without the need for user intervention. All printing is bar-code enabled.

Patient Identification Solution

Increase patient safety and reduce medical errors with a solution that prints sophisticated and customizable ID wristbands for patients at hospitals, clinics and other patient care environments. Confidently print data-rich wristbands with options that include color photos (for easy identification) and color-coded shapes and icons.

Intelligent Print Management

Create custom printing rules that enable your organization's cost-cutting goals, improve security and reduce environmental impact. Assign duplex (two-sided) printing to save paper, restrict color printing to only those users who need it and balance device use with automatic job routing.

Omtool Healthcare Suite including AccuRoute

A comprehensive set of tools designed to help you efficiently manage the medical document lifecycle and streamline registration, inpatient care and post-discharge reimbursement. AccuRoute enables organizations to handle complex document-routing requirements efficiently and cost-effectively.

HP Access Control Pull Print Solution

Reduce paper waste by allowing print jobs to be encrypted and stored until the authorized user is ready to retrieve and print. Users can choose the destination printer when they are ready to retrieve their output.

HP Access Control Intelligent Print Management

Create custom printing rules that help deliver cost cutting goals, improve security and environmental initiatives. Assign duplex (two-sided) printing to save paper, restrict color printing to only those users who need it and balance device use with automatic job routing.

Wristband output

- Bar code
- Patient photo
- Color-coded allergy icons
- Patient information

Bar code links to patients admissions documents and records

WHY HP AND HP PARTNERS?

HP is recognized as a global leader in imaging and printing solutions. HP and our authorized partners offer technical expertise and reliable products and solution sets that allow customers to benefit from:

- Consulting services, including procurement, installation, management and support that can be customized to enhance your organization's effectiveness
- Relationships with industry-leading solution providers
- Powerful solutions to optimize your environment, improve the bottom line and help the planet

HP offers the most comprehensive portfolio of printing and imaging solutions to meet the needs of healthcare providers, along with HP support packages and HP Original print cartridges.

HP PRINTERS FOR NURSING STATIONS

HP LaserJet P4015 series P4015n/P4015dn/P4015tn/P4105x

High-performance workgroup laser printer with leading security features and management tools

Print speed: up to 52 ppm black

Recommended monthly print volume:¹
3,000 to 15,000 pages

Finishing: additional 500-sheet or 1,500-sheet input trays, an automatic duplexer for two-sided printing, an envelope feeder, a five-bin mailbox, a stacker or a stapler/stacker

HP LaserJet M3035 MFP series M3035/M3035XS

Duplex print/copy scan, faster black printing and color scanning, fax on some models for offices or work teams

Print speed: up to 35 ppm black

Recommended monthly print volume:¹
2,000 to 6,000 pages

Finishing: automatic two-sided printing and copying, 20-sheet convenience stapler

HP LaserJet P4515 series P4515n/P4515tn/P4515x

Get the ultimate in speed, security and print management with this fast HP workgroup laser printer.

Print speed: up to 62 ppm black

Recommended monthly print volume:¹
5,000 to 20,000 pages

Finishing: optional two-sided printing accessory, additional 500-sheet or 1,500-sheet input trays, envelope feeder, five-bin mailbox, stacker or stapler/stacker accessory

HP LaserJet M4345 MFP series M4345/M4345x/M4345xs

Very fast black print, copy, fax and color scan with send-to functions and duplex printing

Print speed: up to 45 ppm black

Recommended monthly print volume:¹
15,000 to 20,000 pages

Finishing: automatic two-sided printing and copying, stapler/stacker accessory

HP Color LaserJet CP4525 series CP4525dn/CP4525n/CP4525xh

Print high-impact color documents at high-performance speeds. Protect confidential print jobs with on-board and network security.

Print speed: up to 42 ppm black and color

Recommended monthly print volume:¹
2,500 to 10,000 pages

Finishing: built-in automatic two-sided printing, four 500-sheet input trays for a 2,100-sheet total input capacity

HP Color LaserJet CM3530 MFP series CM3530

Add more capabilities and space to your office with the first fully featured HP desktop color laser MFP.

Print speed: up to 31 ppm black and color

Recommended monthly print volume:¹
5,000 to 9,000 pages

Finishing: automatic two-sided printing and copying, convenience stapler on fs SKU
